"Serving The Mail Order Community For Over 50-Years"

**YOUR Circulars need to be displayed on the Internet
so more prospects can find and review them quicker and easier...**

We make it so EASY for you

More and more Mail Order opportunity seekers are turning to the Internet to find good, money making home business opportunities and dealerships.

YOUR circulars need to be ready for them.

Combining Mail Order and the Internet is just the smart thing to do. That is why the successful and well established dealers turned to it long ago.

The ideal situation for all mail order dealers is to have their ads and circulars reflect **both a postal mailing address AND INTERNET ADDRESS.**

• We leave NO dealer behind — if you do not have a computer or Internet access — No Problem. You will be sent a printed checking copy of everything pertaining to you and your circulars. *The idea is so folks that DO have access can see your offers.*

You must keep up with the times

As technology increases so goes the mail order business. The days of making a good living selling Big Mail and two dollar ads as stand alone offers are a thing of the past. There is simply not enough profit in it to use the postal system and printers as we once did.

Putting your entire portfolio of circulars on the Internet — at one place... on "your own site" with "your own nice home-page and Internet address" can SAVE YOU BIG TIME MONEY.

Less postage and printing to buy - less advertising since you promote your web site with inexpensive small space ads.

THE GOOD PART is we do all the Internet stuff for you - and at a much lower cost for the service you receive than you might expect. (**NO ADULT ADS**)

Yes! COUNT ME IN ON THIS ONE!

I have enclosed my TWO camera-ready black and white 8½x11" circulars and payment of \$48 (U.S.) for one year online. - Set up my unique Lifetime home-page and web site on the Internet. RUSH my new web address, checking copies, printed copy of my web site, 50% dealerships, my imprinted 1" c/r display ads PLUS promote my web site address on EIGHT of your sites free and in emails to THOUSANDS of subscribers.

We use *our own Internet Servers* and are our own ISP (Internet Service Provider) - so less down time, more Search Engine exposure and print media promotion. **THIS MEANS MORE PEOPLE SEE YOUR ADS!**

Every Mail Order dealer in the business today should be involved with the Internet in some way.

This is just how easy it is for you...

You start with your best TWO 8½x11 circulars with either a two side offer or two one side offers.

When we have your two circulars in hand — your unique "home-page" will be built and placed on the Internet. Your home-page will have its own unique web address. The address will be like **www.OurBigMail.com/JOHN** (the JOHN will of course be YOUR name or ID) A short web address to fit your ads nicely.

Pages for your circulars are then attached to your home-page with a link that prospects click to open. This all together becomes a professional website you can be proud of. Circulars stay for 1 year (and are renewable)

You then promote your web address in small print media ads - with both your mailing address and your unique web address - so all interested prospects can see your materials in a way that is best for them.

WE TYPESET AND SEND YOU 1" DISPLAY ADS!

THAT'S NOT ALL! We also add **THIS** circular to your site - it is a 50% dealership. **THERE'S MORE.** Another of our TOP Dealerships is also added to your site - another 50% dealership. Your two and our two makes four offers already on your site earning money for you. **CAN IT GET ANY BETTER?**

You bet it can...and all this for \$48 - plus...

...A "Free Classified Ad" link is also added to your home page - promote this feature in your print ads - it pulls even more prospects to your site. **WHAT, more?**
